lighting

## TECHNICAL DATA SHEET

|                    |                            |
|--------------------|----------------------------|
| Power:             | 18 W + 6 W                 |
| Color Temperature: | 4000 K + blue              |
| Flux:              | 80 lm / W                  |
| LED chip:          | SMD                        |
| RA:                | > 80                       |
| IP protection rate | IP20                       |
| Voltage:           | AC 85 - 265 V / 50 - 60 Hz |
| Beam angle:        | 120 °                      |
| Life span:         | 30000 working hours        |
| Product color:     | White                      |
| Material:          | metal + plastic            |
| Dimensions:        | Ø 240 x 7 mm               |
| Weight:            | 0,460 kg                   |
